by Giving**

Here is an additional and special way to give to the poor and hungry and your friends at the same time throughout the year.

You can give your gifts to the hungry in honor of a loved one on any occasion such as a birthday, baptism, anniversary, thank you, retirement or any other special event. “A Gift from the Heart” is also a thoughtful memorial.

Please include this coupon along with your donation. We will send a personalized icon card to the person you designate to inform them of the gift you gave in their honor.
