February 6th
St. Julian (Ilyan) of Homs
Exaposteilarion

Byzantine Tone 3
Special Melody: While standing in the Temple's courts

Ye earnestly fought the good fight and completed the whole race. Ye kept the faith undefiled, O Bishop Siloan of Homs, with thy companions deacon Luke and the reader Mokios. The heav'nly crown that God prepared for those who love Him awaits you.

With Martyr Julian plead ye now for those who always seek your prayers.
