1) As we now make remembrance
2) Thou art the sweet-ness of Angels,

of them that have repose in Christ,
the glad-ness of afflicted ones,

let us also now remem-ber
and the pro-tec-tress of Chris-tians,

that dread and fi-nal judgment day,
O Virgin Moth-er of our Lord;

ever imploring Christ's mer-cy
be thou my help-er and save me

for them and us, O ye faith-ful.

from out of eternal tor-ments.
