O Theotokos, thou art a mystical paradise, which being untilled hath blossomed forth Christ, by Whom the life-bringing Tree of the Cross was planted in the earth. In worshipping Him now through its elevation, thee do we magnify.

Today the death that came to man through eating of the tree is abolished through the Cross. For the curse of our first mother Eve that fell on all mankind is destroyed by the Fruit of the pure Mother of God, whom all the powers of Heaven magnify.
