

**FOCUS North America** is a movement of Orthodox Christians that, as an expression of Christ's love, serves the hungry, thirsty, stranger, naked, sick and imprisoned by providing action-oriented and sustainable solutions to poverty in more than 50 cities across America

Feeding the hungry, especially children, is central to FOCUS' mission. Across the nation, FOCUS serves meals three times a day, seven days a week, every day of the year. This year alone, FOCUS will feed close to 300,000 people.

**Join us in providing for children who are hungry through no fault of their own.**
