

Teacher Training II Course Descriptions

Elementary Sessions

Enriching the Classroom Experience

Teachers will be provided with concrete tools to instruct and capture the attention of students in the classroom, using a variety of ways, based on multiple-intelligence theories.

Child Development and the Exceptional Learner

Explore the differences in children's learning styles and how to approach these differences in the Sunday School classroom. The needs of the exceptional learner will be addressed.

Middle School/High School Sessions

Adolescent Needs

The Church's position on current issues often diverges from current cultural views. What are the needs of adolescents, and what attitudes and techniques make confident and successful discussion leaders?

Moral Issues Overview I & II

The Orthodox viewpoint on almost all moral issues, will be presented in a reference handout. A booklet dealing with teen issues will also be provided. Participants can bring up topics to discuss.

Session for Both Elementary & Secondary

Creative Expressions It is time to claim our heritage and bring the arts into our teaching methods so that the children regularly meditate upon and internalize their faith. A variety of methods for both will be presented.
